

Dear Parents/Carers,

Thank you once again for all your support in getting all the children back into school safely. Please could I use this as an opportunity to remind all parents/families that we are still under Government 'lock down' rules and the children should NOT be going to parties or each other's houses at the weekend. We are still limited to socialising with our household bubbles and ONE OTHER person for exercise purposes.

We are in the process of getting our After School Bubble clubs and tuition back up and running again so that they can start the first week back after the Easter holidays.

Regards, Ms Helm

## Our 'Thought for next Week'

Next week in our assemblies, we will be thinking about:

### "TREADING LIGHTLY ON THE PLANET"

What is your water footprint?

How much water do you use (waste?) everyday?

How could we save water around school and at home?

What are some of the water charities doing to help?

WaterAid

toilet twinning

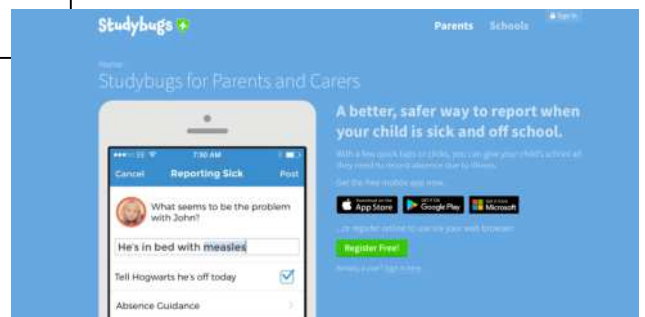

*Please spend some time this weekend talking over some of these things with your children.*

## Parent Questionnaire about Home Learning

To make sure we continue to improve everything we are doing, please take some time to complete this questionnaire about our recent home learning provision:

PLEASE make sure you have the Studybugs App downloaded on your phone and the notifications setting on. This is the quickest and easiest way for the school to communicate with you and you with us.

**SAFER NEIGHBOURHOODS**  
LOCAL POLICE, LOCAL KNOWLEDGE

We have created a survey for residents/businesses on the ward to complete as a way to share your thoughts and opinions on how we could better serve the community as a police service. This should only take around 2 minutes to complete. We would really appreciate your feedback. The link to this survey is <https://www.smartsurvey.co.uk/s/AQMGX7/>
