

Dear Parents/Carers,

I've been adding some important dates onto these newsletters for a couple of weeks now so please can these be 'attached to your fridges' so everyone is aware of the plans for the end of this term and the start of the next term. Whilst we would have loved to have had parents back in with us to celebrate some of our end-of-term events the guidance around this is still very strict; as such, we have decided to merge our celebrations into our end of year Zooms so that everyone can attend safely.

Regards,

Ms Helm: Head Teacher

## Stories of Strength

Celebrating the strength of local communities

Help us celebrate the strength of the local community through sharing your story of a time you have felt strong.

As part of **Greenwich+Docklands International Festival (GDIF)** we are filming interviews for a short film titled **Stories of Strength**, in collaboration with Strong Lady Productions. The film will be shown at GDIF on Saturday 11th September.

If you are from **North Woolwich, Royal Docks, Silvertown or Beckton**, we would love to hear from you.

Filming dates:  
Tuesday 13th July or  
Wednesday 14th July

If you would like to take part, or if you have any questions, please contact [aliyah@festival.org](mailto:aliyah@festival.org)

**Year 1  
Ugly Bug  
Ball**

PLEASE can all parents be extra careful if driving around the school at drop-off or pick-up times. The pavements are very busy and therefore drivers should be being extra vigilant at this time.

If you were not able to join us for our TTLT Awards, these are now on YouTube so please take a look to see some of our North Beckton nominees:
