

North Beckton News

Dear Parents/Carers,

It definitely feels like the Summer has now ended and Autumn has well and truly arrived! At least all this rain will be helping our new Edible Playground seeds start to grow.

We have been talking in our whole school assemblies this week about how to make new children in our school feel welcome. Since September, we have had over 20 new children start across the school and we believe it is very important that they make friends quickly and start to enjoy their time with us. It would be really lovely if as parents/carers, you could also help with this, by saying hello to any new parents you meet in the playground so that they also feel welcomed into our community.

Our after school clubs start next week and we are looking forward to your children engaging in these new and fun activities.

Regards, Alison Helm: Head Teacher

Please use the Place 2 Be website to find out more about this amazing service that we now have in school.
