

Dear Parents/Carers,

Next week is obviously the final week of this half term ahead of the one-week break. School will finish at normal time on Friday 22nd October and then all children are due back into school on Monday 1st November (8.45—8.55am).

As per our Covid risk assessment, we will be continuing to ensure good ventilation within school, and doing some learning outside, so please can you make sure your child/ren come to school with warm coats now that the weather is starting to get a bit cooler.

Regards, Ms Helm

Who to contact if you have any questions/need some help:

If your question isn't appropriate for your class teacher :

Assistant Head Teacher for EYFS/Yr 1: Mrs Girzarde

Assistant Head Teacher for years 2-4: Ms Kurup

Assistant Head Teacher for years 5-6: Mrs Dereli

SENCo: Mrs Mahon or Mrs Ojo

Deputy Head Teachers: Mrs Ojo and Mrs Kettory

Safeguarding Concerns: Mrs Harris, Mrs Ojo, Miss Howe

Attendance Issues: Mrs Omer

Building Work

The scaffolding for the new roof will be going up around the main school over the half term holiday. The children will continue to enter/exit their classes through the doors they currently use and we will be talking to the classes if there is any changes to routines.

INTENSIVE SWIMMING LESSONS

Join us at your local Leisure Centre this October Half Term for our 5 day Intensive Swimming Lessons!

(Subject to availability)

Dates: Monday 25th - Friday 29th October

Prices: Adults - £35

Juniors - £26

Concessions - £19

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:

"Being determined to success—Celebrating our successes this term"

How have we demonstrated our school values this half term?

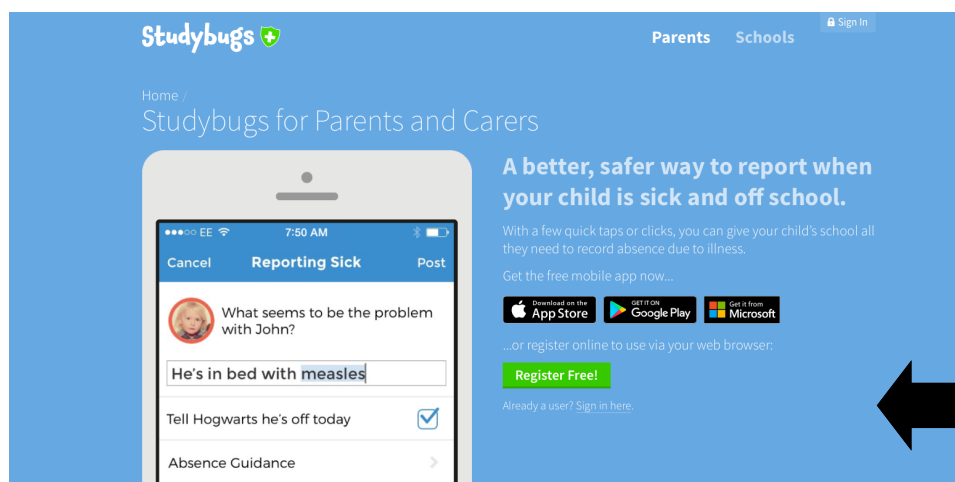

What have I been successful with this half term?

What I am most proud of since we started back at school?

Flu Vaccinations

Nurses will be in on Monday 8th November 2021 to offer the Flu vaccination to children in Reception - Year 6. Completed consent forms will need to be returned to school by **Friday 22nd October** regardless of consent or decline.

They will also be offering the influenza injection for those that would prefer an alternative to the nasal spray, which does not contain any porcine products. The consent forms for the injection can be collected from the main office.

If you haven't got this on your phone, PLEASE download it. We send lots of information out through this app and it makes it easy for you to communicate back to the school.

Survey Feedback

Some of the feedback from our questionnaire was about parents wanting to know more about what the children are learning this year. Hopefully those parents were then able to attend our 'welcome meetings' where lots of this information was shared. If you were not able to attend these meetings, the slides from the presentations are now on the website and on your child's Google Classrooms.

Our Parents' Evenings will be being held via Zoom on Wednesday 10th and Thursday 11th November.

Letters will be going out about this shortly.

The school is back attending various sport trips and competitions using the school minibus. This included some children visiting Sir John Heron school to participate in a Handball competition. Well done to all involved.
