

Dear Parents/Carers,

Next week is the final week before the half term holiday; all children need to be back in school on Monday 21st February at 8.45am. Please could I ask that all 'updated contact details' forms are returned to the school office as a matter of urgency in order to ensure we have all the correct details on our system in regards to your child. Thank you to everyone who has continued to be very vigilant in regards to looking out for Covid symptoms with your children and within your household.

Regards, Ms Helm: Head Teacher

Newham Women's Safety Focus Group

Thursday 10 February 5.30 – 6.30pm
Zoom meeting

The Mayor of Newham Rokhsana Fiaz OBE is hosting an a focus group for Newham's female residents to attend and talk about their views on Women's Safety concerns in the borough.

Are there any locations in the borough that you feel unsafe? Why?
What can the Council and its partners do to help you feel safe?

Are there any behaviours or activities that make you feel unsafe?
What ideas do you have on how we change the behaviour of those individuals and challenge problem attitudes?

We want to hear directly from **Newham's women** about their thoughts and ideas on this important subject. This will be an 'all womens' space and information shared will be in confidence. Learning from information shared will be used to shape the way we respond to managing the borough's public spaces.

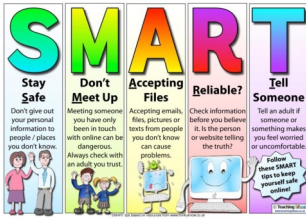

To join us please contact Lisa Hooper, Community Safety Manager - Lisa.Hooper@Newham.gov.uk to receive an invite to the meeting.

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:

"Keeping ourselves safe; keeping ourselves healthy"

We have been discussing how to keep ourselves online as this is an area that continues to be challenging with our pupils. PLEASE, as parents, continue to monitor your child's interactions on their phones and tablets.
