

Dear Parents/Carers,

Thank you very much for your on-going support over the course of this academic year; this week is half-way through the year which seems to have flown by. Please can I ask that you continue to be very vigilant around your child showing any Covid symptoms and take them for tests if they are unwell. Whilst the number of cases in school has fallen over the last two weeks, it is important that we continue to remain very cautious to keep other children, and all the staff, safe. Have a lovely half term holiday.

Regards, Ms Helm: Head Teacher

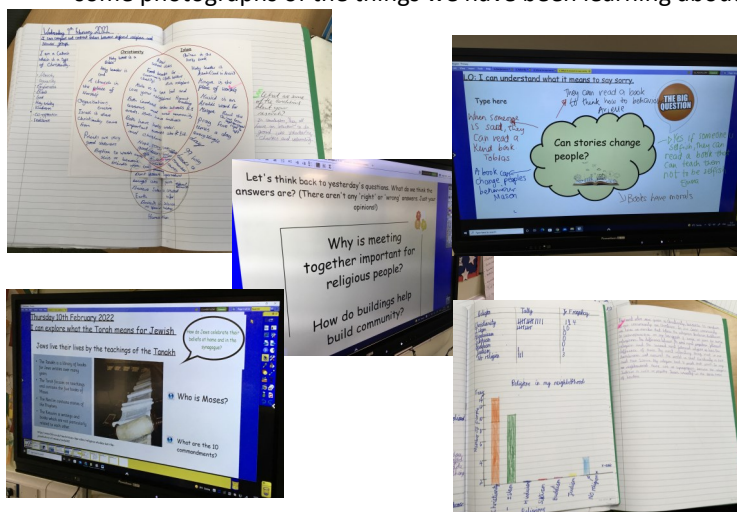

School closes today for the half-term holiday. ALL children need to be back in school at 8.45am on Monday 21st February. Our After School Club programme and tuition programme will start back, as normal, that week.

WORLD BOOK DAY

On Thursday 3rd March we will be celebrating World Book Day and dressing up as our favourite book characters.

Please DO NOT feel the need to go out and buy expensive fancy dress costumes . . .the teachers have discussed with the children how they can be 'creative' with things you will already have at home.

This week has been our 'RE WEEK' and the children have been learning lots of different things about different religions and different beliefs. Our RE lessons are about us learning more about different religions so that we can show tolerance and understanding to people who have different religions and beliefs to ourselves. We also spend some of the lessons looking at how many religions have lots of things in common. Here are some photographs of the things we have been learning about:

Parents' Zoom Meeting: Year 6 SATs information

Our 'Thought for After the Holidays'

After the holidays, in our assemblies, we will be thinking about:

"THE POWER OF HOPE: SPRING IS COMING"

What is hope? Why is it important to develop a sense of hopefulness?

What are we hopeful for?

What are the signs that Spring is coming? Why does that give us hope?
