

Dear Parents/Carers,

We have had a number of concerns reported to us this week as regards children feeling unsafe in various online groups they are in. None of these groups are set up by the school and the only online sharing platform we use is Google Classroom which is password protected and monitored by class teachers. If your child has been given a mobile phone, it is your responsibility, as a parent, to be looking at this regularly to monitor what the children are using the phone for. It is against the law for children under 16 to be using WhatsApp and under 13 to be using Snapchat. Please spend time this weekend looking over your child's phone or tablet.

Regards, Ms Helm: Head Teacher

HOME-LEARNING PLAN

Over the course of this half term, there may be times where some children will need to isolate at home.

If they are feeling well enough to learn from home while isolating, please encourage them to join their classes on Zoom for English, Maths and Topic lessons.

The times below show what time you need to zoom in for each lesson:

9:30am – English

10:45am – Maths

1:30pm – Topic - except on the day when they do PE – during this time you can do PE at home in your own way!

Don't worry, you won't need to zoom in for the whole lesson – only for about 20 minutes so you can listen in and follow what your class is learning.

You will need to use the zoom link below to join your class for English and Topic. For Maths, click on the link for the teacher you go to for Maths.

For example: if you are in 3J you will click on Miss Jones' link for English and Topic. But if you go to Mrs Ahmed's class for Maths, then you will click on Mrs Ahmed's link at 10:45am to join her Maths lesson.

Once you have finished the zoom lesson, go back to Google Classroom, do the task and hand in a picture of your completed work.

If you have any questions, please write it in this stream.

Happy home-learning!

Morning lessons

Our morning reading lessons start at 8.55am therefore if you child is just coming through the gate at this time, they will be missing some important learning.

The gates are also being locked at 8.55am in order for all staff to start teaching; please can I encourage families to be arriving from 8.45am in order to have a calm and focused start to the day.

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:

"Standing up for what you believe in"

What are people passionate about and how are they taking a stand?

What do we believe in? How can we make our voices heard?
