

Dear Parents/Carers,

Thank you to all the parents who have returned their up-to-date contact information form; this means that we have all the correct information for your child updated onto our system. Please can I ask that anyone who is yet to return this form, does so early next week.

This week has been 'Science Week' where all children across the school have been learning about plants, life cycles and habitats. Please ask your child/ren what they have learnt this week to see if they have remembered everything.

Regards, Ms Helm: Head Teacher

Newham London

NEWHAM CARERS FESTIVAL

Have fun and meet new people

Come along for music, food, dance, inspirational speakers and entertainment.

Information and advice

A broad range of organisations who provide advice and support to carers across Newham on subjects such as planning ahead, carers rights, keeping safe at home and mindfulness will be in attendance to help ensure that local unpaid carers get access to the practical and emotional support that they need.

Have your say

Crucially this event will also be a platform for carers to be heard and influence change. A series of interactive workshops will be delivered to co-produce a new carers charter and carers resource pack. You will also be invited to give your feedback on existing services and shape the future design of carers support services in Newham.

Thursday 24 March 2022

11am – 2pm

Newham Town Hall

328 Barking Road E6 2RP

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:

"TREADING LIGHTLY ON THE PLANET"

World Water Day = 22nd March

How much water do you use? What is your water footprint?

What are different charities doing to support people in countries where there is limited access to fresh water?

What can we all do to try to save some water at home and at school?

WORLD AFFAIRS

It is obviously a very difficult time for a number of our families in light of the challenging situation we are seeing on the news. We would like to continue to offer our support to everyone impacted by this situation and ask that you come and speak to us if there is anything you think we could help with.

As regards supporting your children in understanding this situation, in an age-appropriate way, there are some excellent child-friendly resources through the links below:
