

Dear Parents/Carers,

There have been a number of positive cases within our school community since we returned to school and therefore please can I ask that all parents continue to be very vigilant around checking your child for symptoms and using LFTs if you are unsure. If your child has to self-isolate, but is well enough to learn, we have work in place on our Google Classroom and via live zoom lessons so please ensure your child is accessing those. That way, we will be minimising the impact any self-isolation has on your child's learning.

Regards, Ms Helm: Head Teacher

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:

"What do you want to be remembered for?"

What great leaders do we remember and what do they all have in common?

Do we want to be remembered for certain skills or different attributes?

Our lunchtime providers, Juniper, are keen to find out why some children prefer to bring packed lunches rather than have a free hot school meal. Please could you help them understand your views on this by completing their questionnaire below.
