

Dear Parents/Carers,

We are starting to look towards the end of the year and have some exciting things planned for the children to celebrate a successful year. We are also planning ahead towards September and there will be an opportunity for the children to meet their new teacher, and new class, on Thursday 14th July. As ever, due to a number of children starting and leaving North Beckton over the past year, there is a need for us to 're-assign' classes in order to ensure they are balanced in term of numbers of pupils; this also gives the children the opportunity to work with some different people across their year group.

The last day of term is Thursday 21st July (1.30pm); any absences ahead of this time would only be authorised if due to medical reasons and the correct evidence shared with our attendance manager.

Regards, Ms Helm: Head Teacher

After School Clubs/Tuition

Our After School Club programme will finish the week commencing 4th July and will then re-commence in the Autumn Term.

Sports Trips: Over the last week, some children have participated in a TTLT Swimming gala and a Girls' Active sports competition. Go North Beckton!

For Sports Days, please can the children come wearing their PE kits. If they have a t-shirt that is the same colour as the 'team' they are in, they can wear that; otherwise please can they wear their PE t-shirts. We will be using the Whiley Gate, one-way system, for parents to come through in order to enter/leave the sports day and concerts.

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:
"Setting the Bar HIGH! What is your potential?"
Why is it important to aim high in life?
What are your aims for the coming school year?

Art Nurture Groups

Children from across year 5 have been participating in our art nurture groups where as well as developing their art skills, they have been focusing on their individual targets such as resilience, teamwork, perseverance and confidence-building.

September Timings

As you may have seen in the media, schools have been asked to re-look at the timings of their school day to ensure children are getting the maximum amount of teaching hours available. As such, from September, the timings of our school day will change slightly to:

Morning: 8.40am—8.50am. The children will be having reading time during this soft start.
The gates will close at 8.50am prompt.

After school: 3.20pm. The afternoon lessons will not finish until 3.15pm and the gates will open at 3.20pm.

After school clubs will run from 3.30—4.30pm
