

Dear Parents/Carers,

It has been lovely to see all the children back in school this week and all our parents at drop-off and pick-up times. Everyone has settled in very quickly and we are 'up and running' with our learning already. We've had some of our TTLT Trustees coming in to visit the school this week and they were extremely complimentary about all the things they saw during their visit and how "confident and friendly" all the children were. We will be continuing to send out our weekly newsletter every Friday to celebrate our good news stories and share important information; this will be via both studybugs and a hard-copy. PLEASE take time to read over this each weekend with your children and families as this will ensure you are kept up-to-date with everything we are doing in school.

Regards, Ms Helm

If you are new to North Beckton, PLEASE download the Studybugs app. This is the easiest way to report any absences to the school and it is also the way we share lots of additional information with you. Please call into the school office if you are unclear about how to download it.

Our 'Thought for Next Week'

"Everyone shows respect"

Why is showing respect to each other so important in this school?

What are the ways we can demonstrate respectful behaviour to each other?

What do we respect outside of school?
