

Dear Parents/Carers,

Welcome back to school!

It's been so lovely to see all the children (and parents!) back in school this week. We know it has been a difficult time for most with the home learning but hopefully we will now have children back in school for the rest of the year. Thank you to everyone who continues to use our one way systems and home-school communication books; this is keeping us all safer and therefore hopefully helping to stop any virus transmission within school. Please remember we are still in 'lockdown' and the children should not be visiting other people's houses at weekends or in the evenings. Thank you!

Regards, Ms Helm

Returning to School: Keeping us safe

- * We will continue to have staggered drop-off and pick-up times for different year groups.
- * We will have the windows/doors open and lots more outside learning; please send your children in with coats/school fleeces.
- * Please use our one-way systems for drop-off and pick-ups and please do not 'loiter' around the school gates or in the playground and please don't arrive too early for pick-ups and drop-offs.
- * Please do not come off the allocated path and approach the classroom doors; we have our home-school communication books if you need to share messages with the teachers.
- * Please DO NOT send your child in if they (or anyone in your household) has Covid symptoms.
- * Drop-off and pick-ups are busy times so please can we ask that all bikes and scooters are pushed (not ridden!) through the playground.

Our 'Thought for next Week'

Next week in our assemblies, we will be thinking about:

"Sharing beliefs"

It will be St Patrick's Day on the 17th March—Who was the Patron Saint of Ireland and what was he said to have done?

How do we share our beliefs as a school?

At North Beckton, we believe that "We All Belong" - what does this actually mean?

What if we believe different things to other people in our class?

Please spend some time this weekend talking over some of these things with your children.

census 2021

PLEASE complete the census document that will have been delivered through your door this week. This impacts things like public services, transport links and decisions about house building programmes. If we want more money for the Beckton area, EVERYONE must complete this.

If you are exempt from wearing a face covering, please can you make sure Ms Kettory is aware. (This will mean that I will then stop nagging you everyday to put one on!)

We all need to be doing our bit to reduce any transmission with our school.

Parents must wear
face coverings
when dropping off
or picking up
children at school

ConnectNewham
It's good to talk

Sometimes all it takes is a friendly voice and good chat to lift our spirits and help us feel more positive.

Connect Newham brings local people together through conversation so they can stay positive and connected - sharing stories, useful information and laughter.

Who is Connect Newham for?

If you live in Newham and are aged 18 or over, live alone, or care for someone on your own, and you are feeling lonely or isolated for whatever reason, we can help.

How does it work?

It is easy, safe and all from the comfort of your own home.

1. Over the phone you can tell us a little about yourself and decide how many calls you would like - from 3 up to 20.
2. We match you with a fully trained Connect Newham volunteer for a weekly or fortnightly chat over the phone at a time that's convenient for you.

Chrome books/laptops

All the Chrome books we lent out for home learning should now be back with us.

If you still have one at home, please return it to the school office.

THANK YOU
