

Dear Parents/Carers,

HAPPY NEW YEAR AND WELCOME TO 2020!

Hopefully you have all had a lovely break and everyone is feeling suitably rested for the term ahead. It was lovely to see so many of you at our various Christmas events before the holidays and, as always, we are very grateful for your support.

This term will see the start of our major building work project to create our new classrooms for our Simmonds Room pupils in the heart of the school. We are aware that this might cause a bit of disruption but we are fully confident that the final outcome (hopefully before Easter!) will be well worth it.

Best Wishes,

Alison Helm: Head Teacher

All after School Clubs will start again on Monday January 13th.

There are still some spaces available in some of our clubs so if your child is not currently attending two after school clubs, please come and speak to the school office to sign them up.

**Thank You
So Much!**

CHRISTMAS FAIR

We raised a whopping £1025 in our Christmas Fair at the end of last term. Thank you to everyone that contributed towards this and this money will be used to help renovate our playground bus and for the 2 new table tennis tables in the playground. Thank you, in particular, to the members of the PTA that helped us arrange this event.

CHRISTMAS FUN

Is your child in Year 2?

On Monday 20th January at 9.15am and 5pm, we are having a year 2 SATS meeting where we will show parents the sample CPG books, talk through expectations and share some of the resources you can use to support your child in the lead up to SATS. Please speak to Ms Khadam or Ms Dwelly if you have any further questions about this.

Year 2 Maths Workshop

If your child is in Year 2, please join us on Thursday 30th January from 9.15—10.30am for a Maths Workshop.

Come along to find out about how to help your child with their maths learning.
