

North Beckton News

Dear Parents/Carers,

It has been a busy final week of term with the children working hard on their poems in English lessons and lots of fractions in Maths. On Thursday and Friday, we had our 'half year' Achievement Assembly where we celebrated lots of different areas of the children's learning.

I'm pleased to announce that we have been successful in being awarded a Tesco Bags of Help Grant which we will use to create some Welcome Sign mosaics for the different entrances to the school. Once we know which Tesco's stores you can 'vote' in, I will share this information through the newsletter.

Have a lovely half term and we will see you all on Monday 19th February at 9.10am.

Regards,

Ms Alison Helm

Acting Head Teacher

2018

Interested in finding out more about the future of the school?

We are well aware that this has been a period of change for North Beckton and that change is often unsettling for people. Myself, Mr Harris and some of the school leaders would like to invite you to a meeting where we will be sharing information regarding the progress so far within the school and our vision for moving forward at North Beckton.

These presentations will take place during our Parents' Evenings on:

Tuesday 27th February 3.30—4.00pm and then again Wednesday 28th February 5.30—6.00pm; there will be opportunities for questions afterwards.

It would be fantastic to see as many of you there as possible so please factor in these timings when thinking about the day/time you are seeing your class teachers at Parents' Evening.
