

Dear Parents/Carers,

It was lovely welcoming parents into school on Monday and Tuesday for our Parents' Evening. It was a great success; with teachers and parents commenting on the benefits of working in partnership with one another to support our pupils and encourage them to achieve their best.

As always we are aiming for 100% attendance, so if you have not yet met with your child's class teacher please ensure that you do so. For those classes where we had to postpone parents' evening due to staff absence, you will be receiving a letter to reschedule appointments shortly and will have the opportunity to meet with your child's class teacher before the end of term (Friday 31st March 2023)

Sustran's Big Walk and Wheel Campaign

Sustran's Big Walk and Wheel inspires pupils to make active journeys to school, improve air quality in their local areas and discover how these changes benefit the world. It is the UK's largest inter-school cycling, walking and scooting challenge inspiring pupils, staff and parents to choose human power for their journey to school. North Beckton will be joining approximately 2600 other schools in taking part in the campaign.

- For the next 2 weeks please encourage you child/ren to travel to school on their wheels (Bike/Scooters/ Skates)
- Groups of children from across the school will also be completing their Level 1 or Level 2 bikeability courses.
- On Thursday 23rd of March we welcome back Mrs Bowgett who will be offering a 'Dr Bike Repair Service' free of charge—so please bring your bikes along.

Thank you to everyone who dressed up and donated to Comic Relief. We managed to raise a total of £209.96! Go North Beckton Go!

Our 'Thought for the week' - Sharing our beliefs:

Is it better to be lucky or good?
How do we share our beliefs as a school? Why is it important to listen?
