

Dear Parents/Carers,

This week children have been focusing their afternoon lesson on Religious Education, giving them the opportunity to develop understanding, tolerance and respect for religious and non religious beliefs, practices and viewpoints. Through engaging with different beliefs and a diversity of views, pupils can develop an understanding of, and respect for others. This is vital for their life in modern Britain.

Keep Toys at Home

Children have been reminded to keep toys including Rubik's Cubes and Pokémon cards at home. We are beginning to see a number of toys being brought into school. On occasion, they have served as a distraction and led to disagreements between children therefore it is advised that children do not bring toys into school.
