

Dear Parents/Carers,

It has been lovely seeing all the children back in school this week and indeed seeing you in the playground at the start and end of the day. Whilst we all love to have a holiday, I know sometimes it is easier when we are back into a routine, which is very much the case when the children are in school. I am particularly pleased that so many children are wearing their full school uniforms and PE kits and please can I ask that this continues through the year. This allows the children to all fully focus on their learning and not be concerned about what everyone is wearing. PLEASE can all jumpers and fleeces be labelled so we can get them back to you asap if they are left in the playground/dinner halls!

Regards, Ms Helm: Head Teacher

SCHOOL UNIFORM: MARK-UP MONDAY

On Monday 12th September, we will be having 'Mark-up Monday' where any children who do not have their names in their school jumpers/fleeces will have these written onto their labels by their teachers.

FREE SCHOOL DINNERS

All primary school children in Newham are entitled to have a free school dinner at lunchtime as part of the Mayor's ongoing Eat for Free pledge. Parents do not need to complete any forms for this and the children just need to chose 'school dinners' when they do their morning registers.

New Timings

As you may have seen in the media, schools have been asked to re-look at the timings of their school day to ensure children are getting the maximum amount of teaching hours available. As such, our new timings are:

Morning: 8.40am—8.50am The children will be having reading time during this soft start. The gates will close at 8.50am prompt.

After school: 3.20pm The afternoon lessons will not finish until 3.15pm and the gates will open at 3.20pm.

After school clubs (when they start—w.c 26th Sep) will run from 3.30—4.30pm

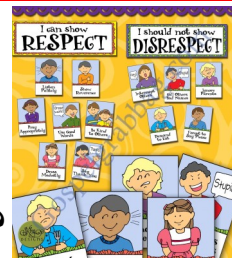

Our 'Thought for Next Week'

Next week, in our assemblies, we will be thinking about:

"Everyone shows RESPECT"

Why is showing respect important in school and in our community?

What does 'showing respect' actually look like?

WELCOME MEETINGS FOR PARENTS

We will be having in-person welcome meetings for parents on the week commencing 19th September. This is an opportunity to come into school, meet your child's class teacher and find out about the year ahead. Dates TBC in next week's newsletter.

Congratulations on your Key Stage 1 Education Outcomes for 2022

Dear Alison and Swasthi,

It is with pleasure that we write to congratulate you and your entire school community on the fantastic overall KS1 RWM expected standard educational outcomes achieved by your pupils, which is above the London and England averages and is a remarkable achievement.

No one can underestimate the impact of the global pandemic and how this disrupted pupils' learning, growth and development over the past 2 years. It is because of the very carefully planned curriculum and support programmes delivered by your teachers and support staff, supported also by carefully considered and structured nurture and wellbeing programmes that have enabled your pupils to accelerate in their day-to-day progress and to attain so well.

We are thankful and proud of the hard work and efforts of your entire staff, governors and of course, the pupils and their parents, in pulling together to achieve the best results possible, enabling them to transition securely and with great confidence into their next stage of their education journey.

What a remarkable achievement for your school, and demonstration that our Newham schools have pulled together once again to achieve higher than London and England averages across early years and primary education outcomes indicators. Your school has contributed significantly to this success, and I thank you all once again.

Very best wishes and congratulations to you all.
