

Dear Parents/Carers,

Whilst it has been a difficult week in the world of UK politics, we have had a fantastic week in school with the launch of our new "Being Healthy" curriculum. Across the school we have developed a subject area which incorporates learning about physical and emotional health and healthy eating; areas which we believe are essential for your children to know about. Hopefully your children have been coming home telling you about all the exciting things they have been learning!

Next week is half term however we are looking forward to seeing everyone back with us on **MONDAY 31st OCTOBER**. Have a lovely break!

Regards, Ms Helm: Head Teacher

Year 1, 2 and 3 Parents:

Come and join us for a coffee morning

Thursday 3rd November 8:45 – 9:30am

You are welcome to talk about anything comes to your mind about school, home and community. We are here to support you.

We will provide information about: Practical support that is available in Newham about fuel, food, vouchers.

Emotional support about:

- Children's transition to Y1 and Y2
- Sleep routines
- School learning
- Behaviour support
- Children's emotional needs
- Parents' emotional needs

Is your child starting Reception in September 2023?

Join us for an open afternoon to find out more about our Reception classes and curriculum. (Please feel free to share with your friends!)

Prospective families are welcome to arrange visits at any time.

To arrange a visit, call:
020 7473 3344
or email:
info@northbeckton.ttlit.academy

SAVE THE DATE: Online Parents' Evening Meetings

We will be holding our first parents' evening of the year on **Tuesday 8th and Wednesday 9th November**. Letters will be coming out the first week back after the holidays with more information about how to sign up for an appointment. After receiving feedback from parents, we have decided to trial doing one parents evening virtually and on in-person this year.

Thoughts and feedback gratefully received!

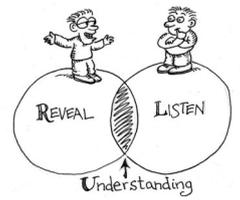

Our 'Thought for after the holidays'

After the holidays, in our assemblies, we will be thinking about:

"Listening to Each Other: Why is this important?"

What does active listening look like?

When is it easier to listen to each other? When is it an extra challenge?

Flu nasal spray (YR-Y6) and the Dental Fluoride treatment (NSY-Y1)

Please can these completed consent forms be sent back to your child's class teacher.

Please note, the nasal spray does contain pork gelatine. However we do have a consent form for the flu injection which is Halal; if you want your child to have this you collect this consent form from the office.

The consent form for the flu spray **MUST** be completed, even if parents do not want their child to have it, for whatever reason.

Flu nasal spray is on Thursday 10th November

Dental visit is on Tuesday 15th November

What we are learning: Being Healthy Week

During our Being Healthy week, the pupils explored the importance of keeping our minds healthy and strategies around how to share our feelings. They participated in activities around a physical focus and set targets on how to improve their physical health. Finally, they planted seeds in our Edible playground and researched recipes to make using the ingredients when the seeds harvest in spring.

TTLT Tag-rugby Competition.

On Friday 14th October 2022, 9 pupils from year 6 took part in the TTLT Tag rugby competition at East London Rugby Club, West Ham. After four exciting games of rugby, they finished in 7th place. The team was well behaved showing great teamwork, attacking and defending skills. Well done to all those involved.
