TTLT Termly Newsletter

A message from Paul - CEO

Dear Parents, Carers and Children,

As usual, the weeks continue to pass at a rapid pace and we are now at the end of the shorter than normal but incredibly busy and successful Spring Term.

All of our schools have been reaccruited with IQM awards, with three retaining their flagship status and North Beckton being recommended as a Centre of Excellence. This further celebrates the hard work of everyone within the Trust to ensure we remain as inclusive as possible. And following the two Ofsted visits in the Autumn Term, we are now able to share the full report for Curwen Primary. We are incredibly proud that within the Tapscott Learning Trust we now have two schools recognised by Ofsted as Outstanding and two as Good and I firmly believe that this has been achieved by 'working together to achieve for all'.

It has been great to see so many parents and carers in our schools this term and I would like to thank you all for your hard work and support. I hope that you will all take time to relax during the Spring Break, and for those celebrating I wish you a very Happy Easter, Ramadan and Eid Mubarak. I look forward to seeing you in the Summer term.

The latest edition of the Annual Report is now live. Please scan the QR code to read or visit your school for a hard copy

Lake District, Ullswater

Y5 & 6 students from our Trust Schools joined together for an amazing week in the Lake District. From hiking and canoeing and so much more, the children tried new things while demonstrating their resilience throughout!

This week away from home allowed our students the incredible opportunity to see a new part of the country and find the magic and beauty in the outdoors, from star gazing to skimming stones, conservation and cooking out they experienced it all. They learned to rely on their teammates from across the Trust schools as well as themselves, learning they are capable of anything when they set their minds to it. Every student who had the opportunity to attend this residential trip will have their own favourite memory... it was a week to remember! We would like to thank everyone who donated to support this trip, £1320 was raised on GoFundMe alone and schools also did their own bit in raising more money by hosting staff quizzes etc. Everyone's donations went a long way and helped make this trip happen

CURWEN PRIMARY SCHOOL

We are delighted to announce that after being inspected by Ofsted in November 2023, Curwen Primary have retained their **OUTSTANDING** status in all areas! Inspectors were very impressed and said "Leaders have designed an aspirational curriculum that goes beyond the expectations of the national curriculum in every subject..." is just one of the glowing comments that the school received

World Book Day 2024

Just like every year all of our schools got together and made the most out of World Book Day. There was lots of reading, dressing up and even some story jars being made!

Spotlight on Milena

Student at Kensington primary School

Milena's 100% attendance has meant that beyond academic progress, she has embraced a vibrant school life, actively participating in daily Physical Health lessons and joyfully connecting with friends during playtime and lunch.

Last year Milena thrived at the Y4 camping residential trips; spending a week away at the Lake District and also 3 days with all her friends at Hertfordshire Young Mariners Base in Cheshunt.

It's not just children who dress up in our schools, our staff do too!

Ranelagh Primary School were included in the Baseball Softball UK 2023 Year in Review. Have a read of the article by following the link [here](#)

Coffee Mornings at North Beckton Primary

North Beckton Primary have hosted a number of coffee mornings this term. They had an Educational Mental Health Practitioner in one morning who was able to answer parents questions regarding mental health.

Multilingualism at Kensington Primary School

Creating a multilingual approach at Kensington Primary school has opened doors to a world where diversity flourishes and bridges are built through celebrating first languages. Being part of a trust that welcomes change and promotes innovation has certainly helped with championing this.

Training Hub Delivers BIG

The Training Hub has been supporting the Sigma Trust in a range of areas. The Training Hub carried out a full inset day for the academy staff who travelled down from Essex. This consisted of 70 staff including teachers, senior leaders and head teachers, The inset covered various areas of work from culture and leadership, adaptive practice etc. The day was highly successful and this is thanks to the support from all TTLT schools involved and those people delivering school based sessions. This shows the strength and community amongst our Trust. Some comments we received included "Loved your friendly school and staff" and "it's really good to have been given a bank of ideas to adapt for my own teaching"
