

# North Beckton News

Dear Parents,/Carers,

We have lots of reasons to be proud this week with different children going out to represent the school in different competitions and tournaments. Some year 5 and 6 children spent the day playing in a Newham cricket competition and other children across KS2 are fully prepared for their 'debate mate final'. I am very keen that as well as obviously ensuring your children are learning effectively within school that they are also all given lots of opportunities to experience different things in our wider community. As such, as we move into the summer all the year groups will be heading out on different trips and attending different activities outside the school. We also received our SSAT Educational Outcomes Award this week and a photograph of this is on the back of the newsletter.

Thank you once again for your continued support in working together for the best for your children.

Regards, Alison Helm (Acting Head Teacher)

## Lunchtime sports competitions
