

North Beckton News

A slightly different newsletter this week . . . reader participation required.

I have met with all the children this week to ask them their views on our school rules, vision and motto.

I would also now like to get your views. As such on the back of this newsletter are a few different activities and opportunities for you to complete together with your children.

I think it is really important that everyone has an opportunity to contribute into the future of North Beckton so if you could complete this and return any sheets to the school office (or class teacher) by next Friday, it would be very much appreciated.

Regards, Ms Alison Helm (Acting Head Teacher)

We have a new, safer system for reporting your child's absence due to illness.

It's called **Studybugs**.

Studybugs automatically enters sick reports straight into the register, which means we know right away if any children are unaccounted for.

Please use the free Studybugs app or the Studybugs web site to report your child's absence from now on.

Please take time to discuss the following with your children.

It would be fantastic if any thoughts could be returned to the school office by next Friday (6th July).

This is our school motto:

What does this mean to you and your children?

Which of these words do you think most represents what we stand for at North Beckton?

Patience

Resilience

Goals

Achievement

Friendship

Respect

Patience

Loyalty

Determination

Trying hard

Gentleness

Are there any other words that we should be using in our vision?

This are our current school rules:

1. We listen to and follow instructions.
2. We keep hands, feet and objects to ourselves.
3. We come to class prepared and look after our equipment.
4. We use appropriate voices during lessons.
5. We treat each other with respect.
 - No name-calling.
 - We listen to each other's opinion.
 - We say thank you.
6. We work hard and always try our best.

Should any of these be changed or any different ones added?
