

# North Beckton News

Dear Parents/Carers,

I am delighted to inform you this week that I was successful last week in being appointed the new substantive Head teacher here at North Beckton. I have obviously been here for a year now, on a secondment and as an 'acting' head teacher. However after a rather gruelling interview with a number of Governors and representatives from NPW, I was informed that I have been successful. I am so excited about the journey ahead and am pleased to be coming back in September in a permanent role. Added to this good news, we also received the year 6 SATS results this week. Although there are still some checks going ahead with these, the results were simply fantastic and quite possible 'the best yet' for North Beckton. Well done to all the children for their hard work and the teachers involved for their commitment with these children over the years.

Regards, Ms Alison Helm (Head Teacher)

## Sports Days

Please come and join us for our sports days. The children need to wear either their PE kit or their 'colour' t-shirt.

Thursday afternoon: Afternoon Nursery

Friday morning: Year 1-3 9.15—11.15am

Friday after- noon:  
Years 4-6 1.30—

## New classes and new teachers

On Thursday the children visited their new classrooms with their new classes. Due to the fact there has been a lot of children starting and leaving this year, as usual, we have re-organised the year groups into new classes so that they are more evenly balanced. The children will continue to go to different classes for English and Maths and the whole year groups will still do many activities together and therefore the children will still spend time with other friends across the year group. We discussed this with the children this morning in our assemblies and they all seem very excited about their new classes and new teachers.

## End of Year Reports

Our schools reports came out yesterday; please ensure that you checked your children's bags for these. Thank you to those parents that have responded with comments and I will make sure that all these are feed-back to teachers and any questions answered.

If you would like to discuss anything on this report in more detail, please can you make an appointment to speak with the class teacher.

I apologise that there was some slightly confusion with some of the letters that went out to some year groups; a case of trying to put too many things into one envelope.! I have been assured that all year groups now have the correct information.

### End of Term Events

As can be seen from the countdown, we have many exciting events coming up. All year groups are also hosting an activity for parents to be able to come into to celebrate their learning this year.

It would be great if you could join us for this end of year celebration.

Well done to Year 2 for their 'graduation ceremony' yesterday and thank you to all the parents that attended.

### Nursery and Reception Places . . .

tell you friends!

Please note, we still have places in September for our Nursery and Reception.

If you are pleased with the direction the school is moving in, and would like to encourage your friends to bring their children here, please encourage them to speak to the school office or to Mrs Girzade.
