

Dear Parents and Carers,

Our Year 6 pupils completed their SATs last week, and we couldn't be more impressed by their focus and composure throughout. A big well done to Year 6!

A heartfelt thank you also goes to our fantastic staff team, who supported the children every step of the way. They encouraged, reassured, and guided them through the week helping our children feel confident and prepared.

As we head into the half-term break, I hope this time away from school will give them a chance to recharge, ready to tackle the final stretch of the academic year with renewed energy. The last half-term of the school year resumes on Monday 2nd June, with the usual 8:40am start.

Next half-term promises to be another full and exciting one, with plenty of opportunities for families to get involved. Please make sure to check the key dates section below.

Kind regards,
Mrs. Kettory

Meet Our Governors - Chair of Governors: Swasthi Mahabeer

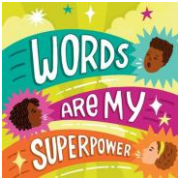

Hello! I'm Swasthi Mahabeer, Chair of Governors at North Beckton Primary School. I joined the governing body in October 2019 because I'm passionate about giving every child the best start in life. Professionally, I work in a primary school and enjoy bringing that experience to support our school's leadership. As Chair, I work closely with Mrs Kettory and the team to help shape the school's strategic direction, always ensuring we put children first. Outside work, I love travelling, attending music concerts, visiting galleries and museums, and reading. I'm proud to be part of such a warm and vibrant school community.

Milkshake Morning

In the hope of warmer weather we brought back our much-loved Milkshake Morning. It was great to see so many of you enjoying a relaxed catch-up and a cool treat before the school day got going. We're really grateful for your generosity and support. Thanks to you, we raised an impressive **£139**.

Summer Fair: Friday 11th July

We're getting ready for our Summer Fair and would really appreciate your support.

If you're able to help by running a stall, donating a prize, or offering your time in any way, please get in touch with Mrs Girzade or Mrs Omer.

You're also very welcome to come along to our next PTA meeting on **Monday 2nd June at 2:20pm**. It's a great chance to get involved and help make the event a brilliant day for our school community.

'Day for Us' – Friday 23rd May: Jobs for the Future

This afternoon, we stepped away from our usual lessons to focus on aspirations exploring: What do we want to be when we grow up? Pupils across the school spent time learning about different sectors and the many possibilities open to them in the world of work.

We welcomed guest speakers from a wide range of professions, who shared insights into their career journeys and what their everyday working lives involve. The children had the chance to ask questions, hear real stories, and begin thinking about the paths they might take in the future.

A huge thank you to everyone who generously gave their time to speak with our pupils. Your support helped create a memorable afternoon full of ambition, curiosity and excitement for what lies ahead.

Internet Safety Tips for Parents

Help Your Child Stay Safe Online

1. Talk Openly and Often

Encourage your child to share their online experiences. Make sure they know they can come to you if anything makes them uncomfortable.

2. Know What They're Doing Online

Stay informed about the apps, games, and websites your child uses. Use them together when possible.

3. Use Parental Controls

Set up parental controls on devices and Wi-Fi. These can help block inappropriate content and limit screen time.

4. Teach Privacy and Boundaries

Explain the importance of not sharing personal information—like full names, addresses, or school details—online.

5. Help Them Recognize Strangers

Teach your child that not everyone online is who they say they are. Only accept friend requests or messages from people they know in real life.

6. Talk About Cyberbullying

Let them know what cyberbullying is and that it's okay to speak up. Save any harmful messages and report them.

7. Set Screen Time Limits

Create family rules about how long and when your child can use screens—and model healthy tech habits your-

9. Stay Updated

The digital world changes fast. Keep learning about new apps, games, and threats so you can guide your child
