

Dear Parents and Carers,

Thank you for attending our recent Sports Day events and for your understanding around the weather-related changes. It was wonderful to see so many of you at parent evenings — we hope you found the conversations valuable and enjoyed hearing about your child's progress. It was a particularly special occasion for our Year 6 families as they prepare for the next stage of their educational journey.

Looking ahead to September, children will meet their new teacher and classmates on **Monday, 7th July**. As in previous years, class groupings will be adjusted to ensure well-balanced classes across the year group. We hope this transition day will support the children in feeling confident and well-prepared for their return in the autumn term.

A reminder that the final day of term is **Friday, 18th July**, with school closing at **1:00pm**. Please note that any absences before this date will only be authorised for medical reasons, with supporting evidence provided to Mrs Omer.

Kind regards,
Mrs. Kettory
Head of School

Sports Days

A huge thank you to our fantastic PE Team, including our dedicated pupil sports leaders, for helping to make the day such a success. We're also incredibly grateful to all the parents and carers who came along to cheer on the children — your support means so much.

It was wonderful to see the team spirit and our school ethos of "We All Belong" in action. The children were amazing: cheering each other on, celebrating their friends' successes, and working together in their team colours to enjoy a morning full of fun, energy and togetherness.

Year 4 Sleepover

Last Friday, Year 4 were buzzing with excitement as they spent the night at school for their much-anticipated sleepover. Supported by Miss Rummins, Ms Howe, Mrs Ojo and myself, the children enjoyed forest school adventures, songs, games, and storytelling around the campfire, complete with toasted marshmallows! After a pizza feast, they settled into their sleeping bags for the night. Despite a few whispers and giggles, they were wonderfully behaved and truly deserving of this fantastic experience.

A huge thank you to all the staff who made it possible. It's a memory the children will treasure for years to come!

Our 'Thought for the week'

This week we have been discussing:

'If at first you don't succeed try and try again'

Can you think of something that you couldn't do, but now you can?

What does it mean to be resilient?

Only 2 Weeks to Go – Summer Fair Support Needed!

Friday 11th July

A big thank you to all the parents who have already offered their help! We're still in need of a few more prizes, so if you're able to donate something, please have a root around at home. Any contributions will be greatly appreciated.

If you can help by running a stall, donating a prize, or offering your time in any way, please get in touch with Mrs Girzade or Mrs Omer.

To help us prepare, please also complete the link sent out on studybugs earlier this week to let us know whether you'll be collecting your child at 2:00pm to attend the fair.

Clubs

After-school clubs will finish during the next week (Week 5), with the final sessions taking place on Friday 4th July. Breakfast Club will continue to run as normal until the last day of term, Friday 18th July. As Friday is a 1:00pm finish for the children, the final 6 o'clock club session will be on Thursday 17th July.

Year 1 Tea Party

Year 1 stayed after school for a tea party as their residential experience this year. The children had a wonderful time. They made sandwiches and ate them with other party food. We did some dancing and played party games, including sleeping lions. Then the children went to

Internet Safety Tips for Parents

Help Your Child Stay Safe Online

1. Talk Openly and Often

Encourage your child to share their online experiences. Make sure they know they can come to you if anything makes them uncomfortable.

2. Know What They're Doing Online

Stay informed about the apps, games, and websites your child uses. Use them together when possible.

3. Use Parental Controls

Set up parental controls on devices and Wi-Fi. These can help block inappropriate content and limit screen time.

4. Teach Privacy and Boundaries

Explain the importance of not sharing personal information—like full names, addresses, or school details—online.

5. Help Them Recognize Strangers

Teach your child that not everyone online is who they say they are. Only accept friend requests or messages from people they know in real life.

6. Talk About Cyberbullying

Let them know what cyberbullying is and that it's okay to speak up. Save any harmful messages and report them.

7. Set Screen Time Limits

Create family rules about how long and when your child can use screens—and model healthy tech habits your-

9. Stay Updated

The digital world changes fast. Keep learning about new apps, games, and threats so you can guide your child
