

Dear Parents and Carers,

Our Year 6 pupils completed their SATs last week, and we could not be prouder of the incredible focus, poise, and calmness they showed throughout. A massive well done to the entire year group for tackling the week with such fantastic determination!

It has been an exceptionally busy and exciting week across the school, packed with brilliant educational visits and a fantastic cricket competition where our pupils truly shone.

A heartfelt thank you goes to our wonderful staff team, who have supported the children every step of the way this term. Whether guiding them through exams or leading trips, they have constantly encouraged, reassured, and helped our children feel confident and inspired.

As we head into the half-term break, I hope this time away gives everyone a well-deserved chance to recharge—especially while enjoying some lovely, hot weather! We look forward to seeing the children return with renewed energy for the final stretch of the academic year.

School resumes for the final half-term on **Monday 1st June** at the usual time of **8:40am**.

Kind regards,
Mrs. B. Kettory
Head of School

Solution to Pollution Day

It was a breath of fresh air at North Beckton Primary School recently as we welcomed a dedicated team of volunteers from Goldman Sachs for a day centred on environmental action and sustainability.

The morning kicked off with an engaging whole-school assembly, where students learned about the causes of air pollution and the simple steps we can all take to protect our planet. Following the assembly, Year 5 participated in an interactive workshop, diving deeper into the science of air quality and urban greening.

The excitement moved outdoors to the nursery playground, where Year 3 pupils got their hands dirty! Working alongside the volunteers, students helped fill the brand-new planters—which were custom-built by the Goldman Sachs team—with a variety of air-purifying plants.

Lunch Menus

Please talk through the weekly lunch menu with your child/ren to help them select suitable meal choices.

Attendance Winners This Week

Reception & KS1 Winner: **1T**

KS2 Winner: **4B**

Our school's attendance percentage has remained at **93%**, let's continue to improve in Summer 2!
Every Day Matters!

Thank you for your ongoing support!

Year 2 - Farm Visit

Year 2 visited Mudchute Farm and met a wonderful variety of animals. Every animal they encountered helped the children understand that while every creature looks different, they all share the same basic needs for survival.

Year 1's Delightful Afternoon Tea Party!

This week, Year 1 hosted a wonderful afternoon tea party as part of their residential experience. The children had a fantastic time crafting handmade decorations and prepping their own sandwiches. Afterwards, everyone thoroughly enjoyed tucking into their delicious creations and some yummy cupcakes and biscuits! The fun continued with tea-party-themed games, including 'Hot Teapot' and 'Musical Tea Party Statues,' before heading outside to make the most of the lovely sunshine.

Reception - East Ham Fire Station

On Monday, the Reception classes visited the local fire station. The children enjoyed exploring the premises, learning about the different fire trucks, and even having a turn using the fire hose. The children were able to witness a real emergency call out and watched the firefighters prepare to respond. This showed the important role firefighters have in keeping us safe. It was an educational experience that the children will remember for a long time.
