North Beckton News

Dear Parents/Carers,

Welcome back after the Easter Break and I am hoping that everyone has had a great holiday and is feeling relaxed and refreshed for the Summer Term. We have been busy in school over the holidays continuing to improve the building through more internal painting, gardening work, important electrical upgrades and new football and basketball posts in the playground. The Local Authority have also agreed to complete the new windows over the Summer break and to start to improve the facilities for the Resource Provision; hopefully, collectively you can see that these much-needed improvements are making the school a far better space for your children to learn in.

The Summer Term is always a busy one in primary schools and for the next 6 weeks we will be focusing on ensuring all the children are ready for their various tests; these include year 2 and year 6 SATS and the year 1 phonics check. This isn't to say that we won't also be having lots of fun activities along the way and as ever, I will use this newsletter to keep you updated on upcoming events along with photos of things we have been doing in school.

I would like to use this opportunity to welcome back Ms Goldsmith who is coming back to teach in year 4 after her maternity leave.

Ms Alison Helm (Acting Head Teacher)

HEAD START NEWHAM BUILD RESILIENCE

Bounce-back days… As a school, we have been learning about resilience and different ways we can 'bounce-back' if things aren't going to well. As part of this, over this term, all the year groups will be spending a day with their year group counterparts from Curwen undertaking different activities to learn more about this. The day will include sports games, drama activities and different types of role-play. Letters will be going out about this shortly to explain which day this will be for your child's year group.

Places of Worship Museum

We are going to be hosting a 'Places of Worship' open afternoon on Thursday 26th April from 2.30—3.30pm and would love to invite all our parents in to see our different classroom museums. This will be a chance for the children to 'show off' what they learnt during their Place of Worship visits.

We will also be using this to show your our writing through the online programme 'Pobble' that we use in school.

Working in Partnership with Parents

We value the input of the parents into their children's education and we welcome working together to ensure that the pupils have the most amazing experience of school.

Please be reminded of our Parent/Visitor Code of Conduct which you may have seen up around school

Parent and Visitor

Code of Conduct

The Tapscott Learning Trust prioritises the health and happiness of our children, teams and community because we know this is crucial and also the best way to support learning. A key part of this is treating everyone with respect.

Our staff are here to help and they will endeavour to provide the highest quality of service possible. They will act courteously towards all parents, pupils and visitors they have contact with.

We have a parent and visitor code of conduct in place for all visitors to our schools with the aim of resolving matters together. **The schools in the Tapscott Learning Trust will not tolerate the behaviour of any parent, visitor or pupil who may become abusive and threatening or actually assault a member of our staff.**

The school and the Tapscott Learning Trust will take the appropriate action necessary to protect and ensure the safety of staff and will report any abusive or threatening behaviour to the relevant authorities.

If you have any particular concerns, then please do not hesitate to contact a member of our staff or refer to our Concerns & Complaints Policy which can be found on our website.

Attendance and Punctuality

Attendance and Punctuality is very important at North Beckton. If your child is not in school, they will miss out!

Our School Attendance Policy

Your child **must** attend school regularly and punctually each day.

Receiving a full-time, suitable education is a child's **legal** entitlement, and it is the parent/carer's legal responsibility to ensure this.
Your child can not learn and achieve if they are not in school.

Please refer to our schools attendance policy on the school website for more information..

If my child is too unwell to come to school.

Step 1: Every parent **must** contact the school by 9:00am and report their child's absence via our **Studybugs** app or by telephone.

Step 2: If your child is absent from school then medical evidence **must** be provided to authorise these absences. Please note that handwritten letters will not authorise absence.

Medical evidence we will accept:

1. A prescription/prescribed medication with your child's name on the box/bottle
2. Appointment letters/text
3. Hospital/discharge letter (if provided)

Days Absent	Weeks Missed	Attendance %
1	1 Day	99.5%

Letters will be sent to keep you informed about your child's attendance.

Term Time Leave/Penalty Notices

A new national framework was introduced in August 2024 in regards to how Penalty Notices are issued. **ALL** leave requests should be discussed with the schools Attendance Officer, Mrs Omer.

KT

Online Safety

This year children will be using online resources such as Google Classroom much more, learning how to stay safe online if built into our Time For Us and Topic curriculum.

Please ensure that pupils are not using apps such as Roblox, Tik Tok, Whats App etc as these are not age appropriate for primary aged children.

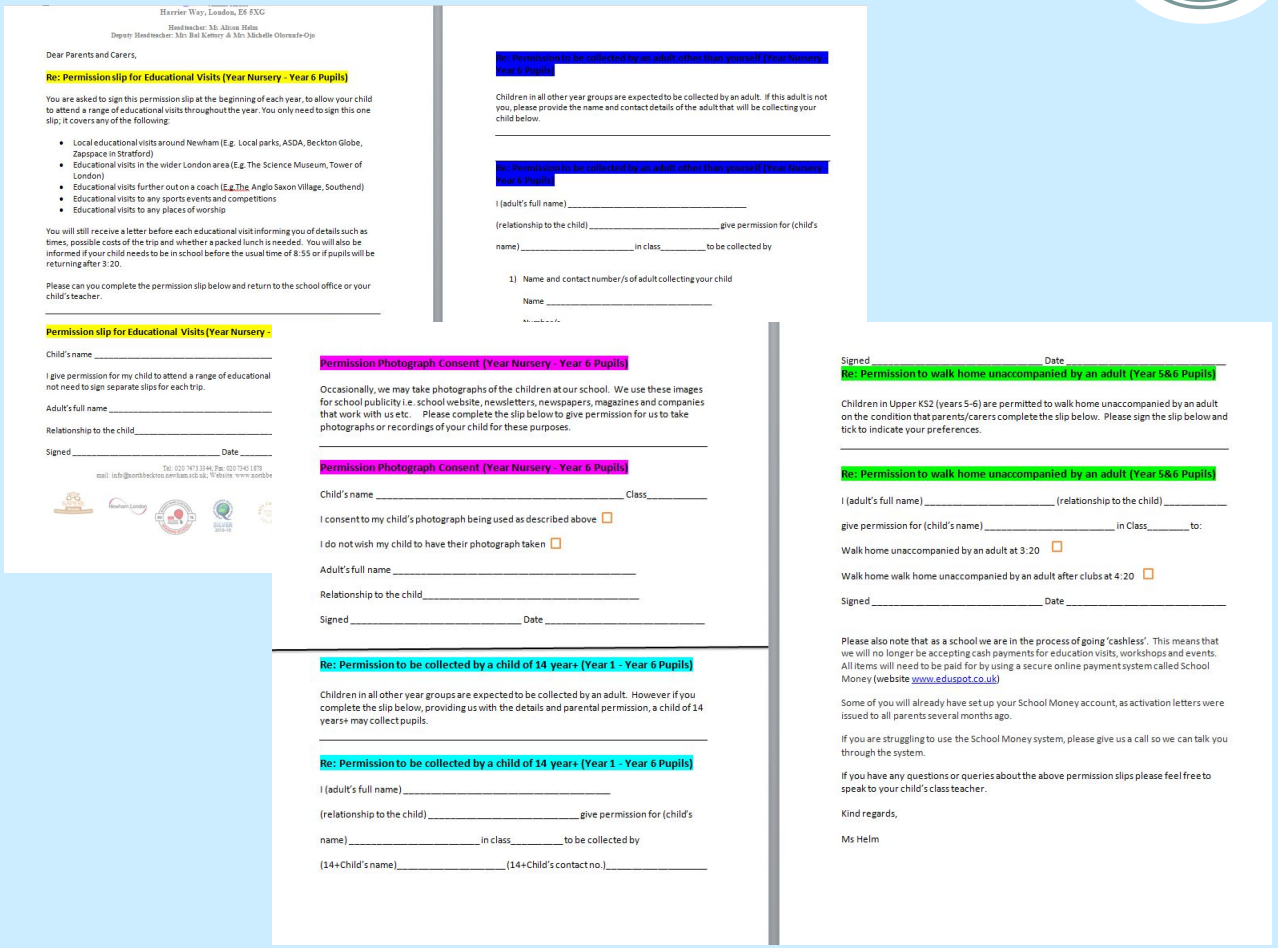

The use of social media unsupervised can result in issues which can then disrupt learning at school.

As a school, we are happy to support parents in setting up appropriate parental controls and advising on how to keep children safe online.

All items will need to be paid for by using a secure online payment system called School Money (website www.eduspot.co.uk)

Some of you will already have set up your School Money account, as activation letters were issued to all parents several months ago.

If you are struggling to use the School Money system, please give us a call so we can talk you through the system.

If you have any questions or queries about the above permission slips please feel free to speak to your child's class teacher.
